## Principal's Thoughts

Our Open House was a wonderful event, thank you to all who were able to join us! Over 500 people attended the 9am Mass! Our school choir was fabulous and our Student Council members reverently led us in prayer. For those in attendance, I hope you felt the energy and witnessed what Fr. Luke and I dream will become a reality each and every Sunday. Let us continue to build this community of faith!

Thank you to our teachers for opening their classrooms to showcase their students' work, we appreciate their hard work each day and their time on a Sunday. Our PACE social committee was up at the crack of dawn preparing the hospitality for the morning. They too were gracious and welcoming hosts! The children especially appreciate you!

I am grateful to our School and PACE Board members for taking turns to greet parishioners, speak at the end of all the Masses about our school and being at the Ministry Spotlight table after Mass to answer questions. I received two phone calls from parishioners stating their appreciation for our school and all we do! Kudos to Gabby Drobick and Megan Fahey, our Mission Advancement co-chairs for coordinating this Ministry Spotlight event for the school.

Our school is a success because collectively we work together for the benefit of our students. We do many parts well but there is always room to improve. Today a survey link is being provided to you so you can share your thoughts on our areas of strength and opportunities for growth. This is part of the accreditation process so I hope all will participate. Please be on the lookout for an email from your child's teacher with the link included. Each parent involved will receive 1 hour credit toward their volunteer hours and the children will receive a free dress pass for a day of their choosing (Mass days are excluded.) We appreciate your time in completing this survey by February 5<sup>th</sup>.
